ABOUT OUR MATERIAL

APAISERMARBLE

All apaiser products are handcrafted from apaiserMARBLE® – a luxurious blend of reclaimed marble, combined with stone and minerals sourced from the rich soils of the Australian Barossa region.

Born of the elements, distilled by nature, strengthened by man and inspired by design, apaiserMARBLE is a luxurious high performance material, launched after years of research and development. apaiserMARBLE is lighter than natural stone, retains the sensual touch and luxurious feel of marble and delivers superior strength, performance and stain resistance. Shaped by hand with absolute perfection, apaiserMARBLE exemplifies the best of modern technology, melded with the meticulous craftsmanship of the artisan.

apaiserMARBLE is compliant with ISO, UPC, CSA & IAPMO standards.
